Executive Department
Colorado Territory

To all to whom these presents shall come. Greeting
Whereas. It has been made to appear to the Executive Authority of our said. That heretofore to wit, at the October term A.D. 1873 of the District Court of the First Judicial District sitting in and for the County of Arapahoe in the Territory of Colorado. That one Thomas Mason was convicted of the crime of Grand Larceny said case being numbered on the Grand Docket of said Court No 616, and the said Thomas Mason being so convicted was thereupon sentenced by the Judge of said Court to imprisonment & hard labor in the Territorial Penitentiary at Canon City in our said Territory for the term of three (3) years.
And whereas it doth further appear from the record of the evidence taken at the trial of said case and other record proceedings, that the said Thomas Mason was indicted jointly with John Chase, Albert Schroder and Albert Brown for the alledged larceny of four mules said to be the property of one Dennis Aiken and it further appears by said testimony that the said Thomas Mason & others indicted as aforesaid so far as they had to do in the matter came into possession of the said mules through a gambling transaction. and notwithstanding the reprehensible character of the same. was without intent or design on their part to commit a larceny.
The said mules were at the time of the beginning of the transaction hereinbefore alluded to in the possession and custody of one John Aiken son of the aforesaid Dennis Aiken, and according to the testimony of the said John Aikins, he represented the said mules to be his property and that he had a right to sell and dispose of the same and that he did not only offer the said mules for sale, but undertook to and did actually execute an instrument of writing which he understood to be a bill of sale conveying the said property to one or more of said parties which said instrument or instruments were executed voluntarily on his part and without any compulsion on the part of said Mason or others indicted as aforesaid. and the said Aikins did then and there voluntarily turn over and deliver the said property into the possession of said Mason or others for which he evidently received at the time a satisfactory and valuable consideration. And

And whereas it is represented by petition and affidavits signed by numerous true, good and loyal citizens of Arapahoe County, that the time of the trial of the said Thomas Mason much bitterness of feeling and prejudice existed in the community against the said Thomas Mason and the said John Chase growing out of other transactions so much so as to render it questionable whether either of said parties could obtain a fair and impartial trial upon the said indictment.

And whereas it has been further represented that the said Thomas Mason do th now propose and promise to hereafter lead the life of an honest and upright citizen and to engage in some lawful lucrative and useful occupation. And whereas under and by virtue of the convictions and sentences afore said the said Thomas Mason was conveyed to the Territorial Penitentiary at Canon City in our said Territory there to be confined as aforesaid for the term of three (3) years and under which conviction and sentence there upon the said convict now lies imprisoned in the said Penitentiary.

And whereas it appears by the record in said case that the said John Chase was indicted jointly with the said Mason and others for the same offense and it being manifest from a careful examination of the indictment, record and testimony taken at the trial of the said Mason that the said John Chase could not be legally convicted of larceny under and as charged in said indictment.

And whereas it appears that in view of all the facts and circumstances appearing by the record and testimony in the case, as well also by the representations made by many good true and loyal citizens that the said Thomas Mason and the said John Chase are both fit subjects for Executive clemency

Now therefore, Know ye that I, John W Gunnison Acting Governor of the Territory of Colorado, by virtue of authority vested in me by law, have pardoned, remised and released and by the presents do pardon, remise and release the said Thomas Mason, unconditionally and from the offense whereof in our said Court he stands

convicted as aforesaid and of and from all sentences forfeitures judgements and executions thereon
And I do further by authority vested in me by law grant unto the said John Chase who stands indicted in our said Court as aforesaid of the crime of Grand Larceny (Case No 616. Grands Docket) before conviction a full free and unconditional Pardon of and for the offence wherewith he stands charged in said indictment and of and from all sentences forfeitures judgements and executions thereon or thereunder

Pardon.

Whereas, by an act of the Legislative Assembly, approved February 7, 1876, entitled "An Act to promote better discipline and encourage reformation in the Penitentiary" the Governor is authorized to restore to citizenship any convict who "shall pass the entire period of his sentence without any violation of the rules and regulations"; and

Whereas, the warden of said penitentiary has, in accordance with the further provisions of said act, issued his certificate, endorsed by the board of managers, certifying to the good conduct of William Harris of El Paso County who was sentenced on the sixth day of November A.D. 1875, to one year imprisonment in said Penitentiary.

Now, therefore, I, John L. Routt, Governor of the State of Colorado, do hereby grant unto the said William Harris a full, free and unconditional pardon.

In testimony whereof, I have hereunto set my hand and caused the Great seal of the State to be affixed at the city of Denver this tenth day of October A.D. 1876.
